**Subject : Improvement Certificate**

To Whom it may concern

We undersigned, Jean-Pascal Crouzet, Architecte Dplg, Principal of l'Autre Fabrique, architectures, certify that ID Project has been nominated to execute all interior design for Patchi Sal at :

- Beirut Down Town, 2<sup>nd</sup>, and 5th floor.
- Kaslik,
- ABC Dbayed.

ID Project has been able to achieve a quiet unusual level a detailing, with creative alternatives.

We have really appreciated, the woodwork quality which is remarkable, the quality of veneer, paint finishes, and all glass material used are satisfying.

It is also the first time we see the embossed Patchi Monogram executed as per our drawing and the punctuality in delivering projects on time.

Best regards

Jean-Pascal Crouzet  
Architect | Principal
